

Student Member Opportunities

Academy of Nutrition and Dietetics

Submit articles for the Student Scoop

An e-newsletter that is published five times a year – includes articles on relevant topics such as preparing for internships and ways to volunteer.

Become a Student Liaison

Participate in recruitment and retention of student members.

Mentor Match Program

AND's eMentor System can pair you up with a mentor! Use this function to search for various parameters such as years of experience, practice area, languages spoken, etc.

2021-2022 Academic Year Scholarships

Range from \$500 to \$3,000

Requirements: A single centralized application that will then be considered for multiple scholarships depending on eligibility criteria.

Application deadline: April 19, 2021 at 5:00 p.m.

Winners will be notified in late July 2021.
