

# CALL FOR POSTERS!

The Illinois Academy of Nutrition and Dietetics invites registered dietitians from across the state to showcase their innovative work virtually in our virtual poster board session.

**Abstract Submission Deadline: February 5th**

Submissions from various settings such as clinical, community, research, education, and public health are encouraged!

## Submission Categories:

1. **New Processes:** Share your success stories about implementing novel and effective processes in your practice.
2. **Process Improvement Projects:** Present your findings from projects aimed at enhancing the efficiency and quality of nutrition and dietetics services.
3. **New Programs:** Highlight any new and impactful programs that have been initiated under your guidance.
4. **Research:** Share continuing or completed research being done.

## Virtual Poster Display:

Selected abstracts will be featured in a virtual poster display accessible to all conference attendees.

## Recognition and Awards:

1. The highest-scoring poster will receive a \$100 gift card.
2. All selected submissions will be recognized during Spring Assembly.
